

SCTA Board Meeting Minutes
April 27, 2016

OLD Business

Paul: We have 49 paid members so far. \$1600+ in the bank, with just under \$1400 in outstanding bills. That leaves a balance of around \$250. Need the usual 50+ more people to pay their 2016 dues to keep above water in 2016.

- ❖ Newsletter/eblast will stress request for dues and explain the dues calendar year. Overpayment on dues may be earmarked (gravel, travel work, music, etc.)
- ❖ Fundraising ideas floated: Spruce Creek hats or Cups (Joe will explore sources)
- ❖ Kerchief with SC maps printed on it (Brenda will ask Sharon Mettes about a source)
- ❖ Culvert markers, buy for \$2/pair, sell for \$5

NEW Business

Members can submit a photo to Roger for inclusion on the web site

Ricky Rains, Sr is stepping down from the Board.

Max has replaced Danny, but must stand for re-election again this year

Brenda Goett's position is also up for vote.

Jan Ballinger, Linder Powell & Lorraine Coriaggio have expressed interest in serving. Anyone else who is interested, contact Laurie LeRoy, as this year at the Memorial Day Potluck we will have to have actual ballots/voting since we have multiple candidates. Details at the April meeting. You must have paid your dues to vote. Only one vote per membership, so if you & your spouse have a common membership (most do), you get one vote between you.

We will support Saddle Valley's effort to fund raise and fix Gum Branch trail, mostly by communication.

We've added work days for those who wish to help out in the Big South Fork. They are

Thursday June 23rd

Thursday July 21st

Thursday Aug 18th

Volunteer training may be required. We'd like to get a crash course offered here at the Pavilion, rather than do a 4-hour session at the East Rim center.

TRAIL Updates

Too many to list here..... that's why we have a Trail Maintenance Log. But there has been some fantastic attendance and turnout so far. We're using up rock and resources like crazy, so make sure we get those dues in....
