Member Discussion

As there are new t-shirts with a new logo being designed, it has been suggested that we consider license plates with a Spruce Creek theme to be sold as a fund raiser. Charlie Elder suggested that we adopt a motto for SCTA. At the Potluck to be held Sunday October 8 we will have index cards and pencils available for folks to jot their ideas down for a motto. If not attending the Potluck, just submit to any Board member.

Bob Hawkins stated that SCTA has never had any plans to “privatize” the trails in Spruce Creek. The Board's goal is to have a safe riding environment for both riders and horses. Evergreen trail which has been temporarily closed will now have “dangerous trail ride at your own risk” signs placed. There will be no signs posted regarding the use of alcohol on the trails. Bob also let everyone know that work is being done on the Crockett Crest Section of TeePee Loop which has been closed for some time. This project is being undertaken and funded by Bob and Pam Atwell and Melissa Wolff and

Jim Peay as an “adopted trail”. This includes the donation of heavy equipment work and large culverts .

Danny Hatcher offered to donate equipment time for work on Evergreen Trail.

A member asked why the meeting minutes were not more detailed. The answer was given by Board secretary that the Board has opted to report Corporate Minutes per Roberts Rules of Order. Corporate Minutes record the actions of the Board at a meeting and do not give detailed commentary. A member further explained the parameters of Corporate Minutes and the very sound reasons for using this format.

Bob Hawkins responded to a member's question about why someone may have been asked to leave by offering an apology.

Meeting was adjourned at 10:23 am
