Trail Updates

Trail maintenance is an ongoing, ever-needed job for SCTA. In addition to grading, rocking & clearing the trails in and around Spruce Creek, SCTA has "taken stewardship" of the Proctor Ridge trail that leads from Spruce Creek to Darrow Ridge. We are also working on re-routing the steep step-down trail that leads to Wildcat Den. The alternate route is marked and work will commence this summer.

Some work is also needed on the Tee Pee Loop where it washes severely at Laurel Creek. An alternate trail was cut on the muddy side, but a permanent re-route may be needed. The "trailer park" at the intersection of Tee Pee Loop and Proctor Ridge is no longer there. Some extension of Spruce Creek Road, where it turns into Proctor Ridge Trail is coming, so watch for cars and trucks as Spruce Creek expands.

Trail Work Days will be announced by e-blast as they are scheduled.
