TRAIL UPDATE

Over the course of the summer and fall SCTA ran 6 work days to repair the Laurel Creek Crossing on the Tee Pee Loop. Six ATV's, two trucks and several tractors (plus a BUNCH of hand labor) were used to spread tons of gravel and erosion control paper. Over the course of winter the work seems to have held up nicely. Also, the hunting camp at the Proctor Ridge trail intersection of Tee Pee was vacated, although some minor pieces need to be hauled away. Look for an e-blast as the weather gets nicer to finish up that piece of trail.

The Wildcat Den trail was re-routed on the near side, and is now a nice approach to the creek. Some timbers and gravel will be needed in 2015 to keep it nice. The far side will be re-routed in 2015.

NEIGHBORHOOD WATCH

Small residential signs are out and up. More can be ordered for \$16 each, contact Brenda Goett. We have \$50 leftover from the original program and need \$50 additional to purchase 5 larger signs to mount at the five distinct Spruce Creek entrances.
